

Unloader

- Mobile
- Reliable
- Hygienic

SAFETY

Constructed for a CE standard this machine is future-oriented. By smart engineering Divardy succeeded in producing a 'state of the art' Unloader.

ECONOMICAL

The Unloader is a silent machine, designed to function at optimum efficiency and with low energy usage.

RELIABILITY

The simple driving systems of the media ensures a reliable machine for a 24/7 production environment.

FLEXIBILITY

The Unloader can be easily installed at the end of an oven. It is mobile and can be placed in combination with every kind of conveyor system.

HYGIENE

The open Divardy frame ensures a rigid and clean construction, easy to maintain, clean and easy to inspect for contamination.
