

Peelboard scrabble and oven retractionbelt

- Dough friendly
- Easy work with
- Safe

SAFETY

Constructed for a CE standard this machine is future-oriented. By smart engineering Divardy succeeded in producing a 'state of the art' peelboard scrabble and retraction belt.

ECONOMICAL

The Peelboard scrabble and oven retraction belt is a silent machine, designed to function at optimum efficiency and with low energy usage. The feeding of peelboards (with dough) can be manual or automatically.

FLEXIBILITY

The Peelboard scrabble and oven retraction belt is very compact and can be easily installed with nearly every oven.

HYGIENE

The standard Divardy frame and components ensures an open and clean construction, easily to clean and to inspect for contamination.
